Amendments Since Filing April 27, 2001 Preliminary Amendment:

Since filing this April 27, 2001, the applicant has located  
20 the following errors in the amended claims 1 and 10 and new claims 13 and 15. No new matter has been added. The applicant has amended these claims as follows:

Claim 1:

1. Claim 1, line 35, the applicant has deleted "said" in order to  
25 establish the proper antecedent basis for "two sides of said striking surface." The proper antecedent basis can be found at

Fig. 2-4.

2. Claim 1, line 44: in compliance with 37 CFR 1.173, "portion" has been deleted and amended with the proper spelling: "portions." Portions should be plural because claim 1 states that there are  
5 two wing portions in lines 43-44.

3. Claim 1, line 48, "member" has been deleted and amended with the proper spelling: "members." Please note that "members" should be plural since the claim states having "a first and a second L-shaped bent-edge" members on lines 47-48.

10 4. Claim 1, line 58, "windshield" has been deleted and amended with the proper spelling: "wind shield."

Claim 10:

1. Claim 10, line 33, the applicant has deleted "said" in order to  
15 establish the proper antecedent basis for "two sides of said striking wheel." The proper antecedent basis can be found at Fig. 2-4.

2. Claim 10, line 43, "portion" has been deleted and amended with the proper spelling: "portions." Portions should be plural  
20 because claim 10 states there are two wing portions in lines 42-43.

3. Claim 10, line 47, "member" has been deleted and amended with the proper spelling: "members." Please note that "members" should be plural since Claim 10 states having "a first and a  
25 second L-shaped bent-edge" members on lines 46-47.

4. Claim 10, line 57-58, "windshield" has been deleted and amended

with the proper spelling: "wind shield."

Claim 13:

1. Claim 13, line 19, the applicant has deleted "said" in order to  
5 establish the proper antecedent basis for "two sides of said  
striking surface." Proper antecedent basis is found at Fig. 2-4.
2. Claim 13, line 38 and 39, "windshield" has been deleted and  
amended with "wind shield."

10 Claim 15:

1. Claim 15, line 2, "disc" has been deleted and amended with the  
proper spelling: "discs." The proper antecedent basis for "discs"  
can be found at line 19 of independent Claim 13: "two circular
